AGENDA ITEM: INFORMATIONAL REPORTS

CHAIRPERSON'S REPORT – A report from the Chairperson on current events.

None

STAFF REPORTS – A report from Community Services staff members on current events.

Staff member, Joni Westcott reported on the Kids at Hope Celebration that took place in the Library on November 12th. KAH is an organization committed to the belief that all children are capable of success, NO EXCEPTIONS. In order to honor the KAH Day annual celebration, Library staff offered games, balloons, prizes and treats to children who came in to the Library along with information about the KAH philosophy to share with parents. Staff also gave each child a free book.

- Community Services Supervisor Dawn Norman reported on the Library District Managers Meeting she recently attended:
 - The recent Jail Tax election was a major topic of this meeting. The fact that the Jail Tax did not pass may have a large financial impact on libraries and the annual distribution amount provided by the county.
 - There was also a lengthy discussion regarding the hiring of a Library Network employee to provide support to all libraries in the district. This would cost each of the libraries in the network. The question was raised as to what specific support this employee would provide to the network libraries. It became apparent that the primary responsibilities of this employee would be to support the District office, not specifically network duties, yet the network libraries would essentially be paying the salary of this employee. This sparked a discussion as the awareness of the essential duties came to light. There was not a consensus of support for this movement, especially due to the fact that the Jail tax did not pass and the unknown impact on annual distributions. More information will be provided to the Library Advisory Board when actual decisions and budgetary impacts are handed down.

FINANCIAL REPORT- A review of the current financial report.

The current library donation account balance is \$9,265.98. A portion of these funds are dedicated to purchase missing/damaged books and DVD/Blu-rays to replenish library inventory.

NEW BUSINESS:

AGENDA ITEM: WORKSESSION: 2014 LIBRARY ADVISORY BOARD ANNUAL BOOK SALE- A worksession to discuss the 2014 Library Advisory Board Annual Book Sale.

Library staff members will provide support for the sale during regular library hours. All Library Board Members will meet in the Library at 8:30 am on December 1st for book sale set up.

AGENDA ITEM: LIBRARY ADVISORY MEETING- Discussion and consideration to change the Regular Meeting date and time.

There was a general discussion regarding the change of the Library Advisory Board regular meeting time.

Chairperson Sherman motioned to change the Library Advisory Board Regular Meeting to the second Thursday of each month at 9:00 am. Board Member Kramer seconded the motion. The motion passed unanimously.

AGENDA ITEM: LIBRARY DONATION FUNDS-Discussion and consideration of possible expenditures for the Library.

There was a brief discussion regarding the purchase of needed items for the library. There was a consensus of the Board to have staff provide ideas to the Board for consideration.

AGENDA ITEM: FRIENDS OF THE LIBRARY- Discussion about “Friends of Library”.

Staff member Joni Westcott provided a hand out with information on establishing a “Friends of the Library”. She explained that the process begins with forming 501c3 non- profit organization which would need to be a separate entity from the Town of Clarkdale. The Library Advisory Board is an entity of the Town of Clarkdale and would, therefore, be unable to initiate this non-profit organization.

NEW BUSINESS:

AGENDA ITEM: 2014 LIBRARY ADVISORY BOARD ANNUAL BOOK SALE- Discussion of the 2014 Library Advisory Board Annual Book Sale.

Staff Member Joni Westcott reviewed the 2014 book sale event with the Library Advisory Board. The Annual Book Sale took place during the month of December in the Clark Memorial Library, a new location

for this fundraiser. A large banner along with many festive lights were installed in the front of the Library to draw the attention of Made in Clarkdale (MIC) attendees and ongoing press releases and social media posts helped to promote the event. At the MIC opening, youth volunteers handed out flyers promoting the Book Sale.

A large supply of books were donated from one particular donor, approximately 79 boxes. Chairperson Sherman and Staff Member Susan Cox were instrumental in retrieving the donated items. In addition to the large donation, an additional 50 boxes were brought up from the Clubhouse basement, bringing the total number of boxes of books to 130. Chairperson Sherman stated that after the sale, 20 boxes were taken back to the basement to store, 4 went on to the "Book Deals and Steals" shelves in the Library and 30 boxes of old/unsellable books were donated to the Old Town Mission. Board Member Murphy stated that the VFW and Verde Valley Medical Center have small libraries in which the Board could consider to donate the unsellable books to in the future.

Staff Member Joni Westcott shared that Library Staff was able to provide a great deal of support to the sale on a daily basis, Library Board Members and volunteers covered evening and weekend hours. The feedback received from library patrons, community members, and visitors was positive. People enjoyed visiting the Clark Memorial Library for the first time and the additional space and open feeling of the new location.

Staff observed the following in attendees:

- Many visitors from out of town who were in the area for the holiday;
- Many of the same individuals returned frequently during the sale to purchase additional items.

There was open discussion on the schedule and the relocation of the sale.

Staff reviewed the daily sales totals with the Board. The sales were up over last year; book sales and donations totaled \$2213.47, \$387.47 more than last year.

Library Board Members, as well as Library Staff agreed that overall the move to the Library was positive.

There was open discussion on implementing the following items in 2015:

- Continue with same dates (entire month of December)
- Add the first week in January. Chairperson Sherman felt that adding the last week in November would be more beneficial to the sale.
- Do not include weeknight evenings during Made in Clarkdale (MIC) due to lack of sales. Chairperson Sherman and Board Member Viarengo agreed that the sale should be open longer hours on the opening night of MIC.
- Board Member Kramer recommended increasing the fill-a-bag sale to \$5-6 a bag and perhaps \$15 per banker box rather than the \$3 currently charged per bag of books.

AGENDA ITEM: CLARK MEMORIAL LIBRARY COMPUTER/INTERNET/WI-FI USE POLICY- Discussion and consideration of the Clark Memorial Library Computer/Internet/Wi-Fi Use Policy.

Staff Member Joni Westcott presented the following information along with the proposed Clark Memorial Library Computer/Internet/Wi-Fi Use Policy:

The Clark Memorial Library currently utilizes the Yavapai County Library policy regarding Computer/Internet/Wi-Fi Use. Due to the change in the Library Agreement with the Yavapai County

Library District it is necessary for the Clark Memorial Library to adopt a Computer/Internet/Wi-Fi Use Policy. This will provide clear authority and guidance for the Clark Memorial Library staff.

The proposed draft policy is consistent with the Yavapai Library District policy with the exception of establishing a daily time limit for each patron of one hour (60 minutes) per day. Requests to extend time may be considered but are not to exceed two hours (120 minutes) per day. This time limit is consistent with computer/internet/Wi-Fi use policies of other libraries in the Yavapai Library Network.

There was a general discussion regarding the adoption of the Clark Memorial Library Computer/Internet/Wi-Fi Use Policy.

Chairperson Sherman motioned to adopt the Clark Memorial Library Computer / Internet/Wi-Fi Use Policy. Board Member Murphy seconded the motion. The motion passed unanimously.

RESPONSES TO "OTHER" OPTION REGARDING INTERESTS

Would be interested in youth programs.

Art classes (drawing, painting, 3D animation, arts and crafts, sewing)

As hiking, wildlife/nature

Kayaking/canoeing on the Verde, particularly large groups. Would like to hear more about hiking trails.

Pool opening/baseball field

More safer

Area near the river for running, hiking, biking

Fairs, art/craft fairs

Cost not needed. The Town can afford to offer the above??? Plus the liability insurance..who pays for it all?

More shopping

More art related programs; teach workshops, provide materials, etc.

More ribs!! Ask for more volunteers instead of axing a favorite event.

ADDITIONAL COMMENTS FROM SURVEY RESPONDENTS

<p>Would be interested in doing youth programs for astronomy. Think there should be a food bank for Clarkdale residents only.</p>
<p>Nice job soliciting community involvement & participation in building community. We appreciate your efforts and thank all for all you do. You are surveying 2 who between work & church community are usually out of the home 10-14 hour. 6 days a week. Not that uninterested, time issue for some of these.</p>
<p>Love your library staff! Best group of workers I have ever seen!</p>
<p>For your budget and size I think you do a great job providing services to the community.</p>
<p>Definitely need more programs for kids and teens. Library space need to be reassessed. Do we need a traditional library? How better could the space be used? Need to look forward</p>
<p>Provide an envelope for your bill!!</p>
<p>Activities that bring in large, noisy groups impose on nearby residents; location, size and duration of such activities should be carefully considered and located in appropriate settings, not necessarily on Main Street. Would like to see a 'neighbors helping neighbors' program in Town and a community garden project for growing and sharing healthy foods.</p>
<p>We just moved her so we look forward to participating in events in the future.</p>
<p>We feel the town should allocate most of this money to open the baseball field back up.</p>
<p>Maybe WiFi at the park near gazebo</p>
<p>Please don't shut down Halloween at 7pm. Let it run until 8:30 or 9:00.</p>
<p>Program(s) at Centerville Park.</p>
<p>Please! Send a return envelope with your utility bill. You are the only one who doesn't.</p>
<p>I just moved into the community in Oct. I am very excited to be a part of Clarkdale's wonderful community.</p>
<p>We love watching improvements and growth in our little town of Clarkdale.</p>
<p>Technology training for elderly would be very helpful</p>
<p>Because of the proximity of the Cottonwood Library, I think the library budget should be used to only supply computer use & WiFi. The books are not necessary. Any budget savings could be used to support Made in Clarkdale or other events.</p>

I know it's nice to have events and services locally, however, since Clarkdale is so close to Cottonwood, and Cottonwood has better resources, with better availability (hours/days open), it would make sense to me to get rid of some of the services in Clarkdale. The library for example. Since they are hardly open when I would be able to go, I never go and just use the one in Cottonwood, which I use often. I wish there was a way to consolidate some services between Cottonwood and Clarkdale.

Doing a great job! Thanks!

Just moved here in February. Wasn't aware of these things, but would be interested now that I know.

I have not visited the Public River Access areas but I plan to!

The library should become a pick up/drop off location as supposed to a full service library where the only people in the library are those playing computer games all day. The community would be better served with a limited amount of services and hours. The book collection is not serving the needs of the community but the transit services are very popular.

For some of us, Clarkdale is that place "way over there", where we send money for water and trash pickup, pay high property taxes and get little in return. How about more enforcement of speeding on Old Jerome Speedway and non-stop barking dogs? Or just annex on to Cottonwood so we can get a return on sales taxes?

Although we do not utilize the youth services, we believe they are a vital part of our community. Our youth really need good programs!

Is it possible to get an email distribution group to let us know of web site updates?

We love Clarkdale

See above! Port~ a~ potties were overflowing and V.I.P. section was mostly empty...how about a happy medium?! Motorcyclists may fill motel rooms...we are the people that live here... There must be a solution!

Love the Made in Clarkdale Art Show...my thought for last year, was that it would've been nice to have tables/chairs to sit and enjoy the music with my beverage. So maybe this year that will happen.

Staff Report

Agenda Item: **WORKSESSION: 4TH OF JULY ICE CREAM SOCIAL** – Discussion on the 2015 Fourth of July Ice Cream Social.

Staff Contact: Joni Westcott, Administrative Assistant II

Meeting Date: May 14, 2015

Background: This item is scheduled for review and discussion of the 2015 Ice Cream Social.

Review of the 2014 Ice Cream Social- Proceeds totaled \$572.76, more than \$73 greater than the previous year. With gift card and monetary donations totaling \$375 and expenditures adding up to \$256.88 the total net proceeds for the event were \$690.88, over \$162 more than the previous year.

Suggestions and observations from Library Board following the 2014 event- Staff received the following suggestions and observations from Board Members to be considered for the 2015 Ice Cream Social Event:

- Donated/homemade goods sold the best
- Should not sell as many whole pies and less pies are needed
- 12 gallons of ice cream were sold (9 gallons 2013)
- Better signage “Line Starts Here”
- Flat bottom cones are better, less breakage
- Better advertisement for “Pancake A-La-Mode”
- A set schedule should be pre-determined for volunteers and posted at the location
- Purchase one dozen cupcakes, no more than that
- Set up/sell tickets at pancake breakfast area for “Pancakes Alamode”
- 4 tubs of ice cream are plenty

Recommendation: This item is scheduled as a discussion only, and no official action is necessary from the Board.

Staff Report

- Staff Contact:** Joni Westcott, Administrative Assistant II
