Town of Clarkdale Board and Commission Application

Before you begin....

Thank you for your interest in serving on a Clarkdale board or commission. Terms for boards and commissions are two years, beginning on October 1st and ending on September 30th. Appointments are occasionally made before terms end due to a vacancy. Applicants are asked to participate in an informal interview process by an interview committee consisting of a staff member, a Councilmember and a member of the board or commission for which you are applying. This committee makes a recommendation to the Town Council. This process helps us to get to know you better and assists the Town Council in matching applicants to board/commission openings. The Town Council encourages all citizens to be involved in their government, however occasionally there are more applicants than there are positions to fill. Should you not be appointed, we encourage you to consider the many other volunteer opportunities with the Town.

This application is a public record, and as such may be disclosed to the public under Arizona's Public Records Laws. The applicant's name may also appear on the Town's website. Please call the Town Clerk at 634-9591 if you have any questions or concerns about the disclosure of specific information.

Choice of Board or Commission

Please type or print clearly in ink. If you need more space, please attach additional pages as needed. A description of each board and commission is attached at the back of this application. Please indicate which board(s) or commission(s) you are interested in and number them in order of preference, with number one being your first choice.

Required Information

- Are any of your relatives, either by blood or marriage, employed by the Town of Clarkdale? No

3. Except for minor traffic violations, have you ever been convicted of any violation of federal, state, local or military law or statute? Yes If the answer to 1, 2 or 3 is 'yes', please explain below or on an attached sheet of paper.

I had an Ambien-induced amnesiac driving episode in February 2007. In November 2007, I represented myself in a jury trial in Cottonwood City Court on this matter and was convicted of misdemeanor DUI to the Slightest, and lost my driver's license for a one year period. I am a badged law enforcement officer and have been since 1976, and have never been arrested for anything else, ever. Ambien sleep driving episodes are now widely recognized and warning labels are now provided, but were not at the time I was prescribed the drug. I do not now and never have had any type alcohol or drug problem.

4. Why are you interested in serving on this (these) board(s) or commission(s)?

I strongly believe in "giving back" to the community in which I reside. I am a relatively new resident to Arizona and have not yet found a volunteer "project" here. I am a continual visitor to the Clarkdale Library and like the location and ambience. I have a Master's in Librarianship and working in a library was my first ever job. I have been a frequent library patron in every town and city in which I have lived. Most recently, I volunteered at the Coronado, CA public library, "reading" the shelves in the Children's Section two mornings per week for six months. I feel that public libraries play a vital role in any community and should be a priority of citizens and city/county management.

As a voracious reader, I am acquainted with the contents of the Clarkdale Library and I have patronized the Library Booksale. I have been impressed with the fact that some of the library staffers are volunteers and that there is a well-established group of committed citizens already in place serving the Library.

5. Please describe your qualifications for serving on this (these) board(s) or commission(s).

I am a frequent library user, and have been all my life. During the 18 months I have lived in Clarkdale, I have utilized the library several times per month. I have worked in libraries both as a volunteer and a paid employee at various times in my life, and I have a graduate degree in Librarianship.

Optional Information

6. Please list your education background.

BA in Social Work, University of Colorado 1975
MS in Librarianship, University of Denver 1976
MSW Program, San Francisco State University, 1991-1997

Ongoing training/education in social work, probation, and parole via employment in those fields, 1976 to present

7. Please list professional memberships, registrations, licenses, etc. that you feel may be applicable to the board(s) or commission(s) for which you are applying.
7. What previous volunteer or community service projects or activities have you participated in (docs not have to be in Clarkdale)?

Stand Down for United States Homeless Military Veterans, California
Coronado, CA Public Library
Multi-disciplinary Child Protection Teams
Catholic Church Parish Council, choir
Union representative and board member

Additional Information

9. Is there any other information you would like to provide which might help the Council make its decision on the appointment to the (these) board(s) and/or commission(s)?

Signature

By signing below, I understand and agree that:

1. Any material misrepresentation or deliberate omission of a fact in my application may be justification for refusal of application, or if appointed, removal from the board/commission.
2. The Town of Clarkdale has my permission to verify all data given in this application, related papers or oral interviews. I authorize such verification and the giving and receiving of any information requested by the Town of Clarkdale and I release from liability any person giving or receiving any such information. I understand that falsification of data so given or other derogatory information discovered may prevent my being appointed, or if appointed, may subject me to removal from the board and/or commission.

The Town Council selects the best matched applicants the board and commission appointments based upon qualifications, regardless of race, color, creed, sex, national origin, age, handicap or other protected groups under state, federal or local equal opportunity laws.
