Town of Clarkdale Board and Commission Application

Before you begin....

Thank you for your interest in serving on a Clarkdale board or commission. Terms for boards and commissions are two years, beginning on October 1st and ending on September 30th. Appointments are occasionally made before terms end due to a vacancy. Applicants are asked to participate in an informal interview process by an interview committee consisting of a staff member, a Councilmember and a member of the board or commission for which you are applying. This committee makes a recommendation to the Town Council. This process helps us to get to know you better and assists the Town Council in matching applicants to board/commission openings. The Town Council encourages all citizens to be involved in their government, however occasionally there are more applicants than there are positions to fill. Should you not be appointed, we encourage you to consider the many other volunteer opportunities with the Town.

This application is a public record, and as such may be disclosed to the public under Arizona's Public Records Laws. The applicant's name may also appear on the Town's website. Please call the Town Clerk at 634-9591 if you have any questions or concerns about the disclosure of specific information.

Required Information

- Are you now or have you ever been employed by the Town of Clarkdale? Yes No
- Are any of your relatives, either by blood or marriage, employed by the Town of Clarkdale? Yes No

3. Except for minor traffic violations, have you ever been convicted of any violation of federal, state, local or military law or statute? Yes No If the answer to 1, 2 or 3 is 'yes', please explain below or on an attached sheet of paper.

4. Why are you interested in serving on this (these) board(s) or commission(s)?

I relocated to Clarkdale from Cornville one year ago. My husband and I rented in Clarkdale briefly when we were first married. We were sorry to leave when we moved from that rental to Cornville. Now that we are residents, homeowners and business owners in Clarkdale, I am very interested in becoming more involved with my community. I was very active in community service and volunteer activities through high school, college and graduate school. I currently miss the fulfillment and challenges that volunteer activities add to life. The position on the Planning Commission sounds particularly stimulating due to the challenges of rapid growth facing both Clarkdale and the entire Verde Valley. I would be honored to contribute toward the continued, carefully considered, planned growth that has been the standard in Clarkdale.

5. Please describe your qualifications for serving on this (these) board(s) or commission(s).

I worked for a consulting firm in Phoenix for three years and specialized in planning, Industrial Development Bond financing and construction of Charter School facilities across Arizona and other south west states. I worked closely with both the general contractors and municipalities throughout the construction process. My husband and I have owned and operated a contracting company in the Verde Valley since 2002. As a contractor, business owner and resident I believe that my knowledge base and concern for the community makes me well suited for a position on the Planning Commission.

Optional Information

6. Please list your education background.

B.S. International Studies- Economics & foreign language emphasis;
Miami University, Oxford, OH

Masters Degree, Education- Educational Problem Solving
State University of New York at Buffalo, Buffalo, NY

Certified Substitute Teacher, Arizona

7. Please list professional memberships, registrations, licenses, etc. that you feel may be applicable to the board(s) or commission(s) for which you are applying.

K-34 Residential/ Commercial Licensed Contractor, Arizona

8. What previous volunteer or community service projects or activities have you participated in (does not have to be in Clarkdale)?

My husband and I started our contracting business when we moved to the Verde Valley in 2002. For these last three years we have been dedicated to the managed growth of our business. As a result, I have had very few opportunities to work or become involved outside the home and business. Now our business is to a point where I have more time to pursue a few other activities and interests.

Recent community service has been limited to that related to my work in Phoenix with Charter Schools. Previous to that I was a certified 'Literacy Volunteer of America' while I was earning my Master's Degree in Buffalo, NY. During the four years of my undergraduate work I ran the 'Miami University Community Service Network' The largest of my accomplishments there was the institution of a food donation program from the University Food Services Departments to area food banks. My program was one of the first of its kind in the nation. An article dedicated to the success of the program was written and published in the New York Times Sunday Edition.

Additional Information

9. Is there any other information you would like to provide which might help the Council make its decision on the appointment to the (these) board(s) and/or commission(s)?

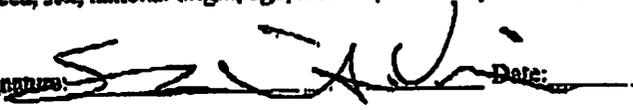

While I do not have a long list of recent activism within the community, I do have a strong history and dedication to volunteering. I feel very strongly in support of Clarkdale's commitment to thoughtful, planned growth. I believe that through the efforts of active community members Clarkdale can successfully become a larger, 'small town'. In that I can see us increasing our tax base and, therefore, community resources while still maintaining the wonderful atmosphere of a small town. I am a thorough and detail oriented person. I complete tasks and honor my commitments. I believe that I could be an asset to the Town of Clarkdale and the Planning Commission.

Thank you for your interest in serving on a Clarkdale board or commission. Terms for boards and commissions are two years, beginning on October 1st and ending on September 30th. Appointments are occasionally made before terms end due to a vacancy. Applicants are asked to participate in an informal interview process by an interview committee consisting of a staff member, a Councilmember and a member of the board or commission for which you are applying. This committee makes a recommendation to the Town Council. This process helps us to get to know you better and assists the Town Council in matching applicants to board/commission openings. The Town Council encourages all citizens to be involved in their government, however occasionally there are more applicants than there are positions to fill. Should you not be appointed, we encourage you to consider the many other volunteer opportunities with the Town.

This application is a public record, and as such may be disclosed to the public under Arizona's Public Records Laws. The applicant's name may also appear on the Town's website. Please call the Town Clerk at 634-9591 if you have any questions or concerns about the disclosure of specific information.

Good Afternoon Walt,

I am replying for my position on the design review board. My application is attached. I also would like to help the town out by serving on another board, if you have room. I noticed there were quite a few vacancies and if you need me to, I would love to apply to be on the Board of Adjustment. I think I can lend my industry knowledge to that board as well.

Let me know if you need the help and I would be happy to do so,
