FLOOD EVENT –Update on the current flood conditions in the Town of Clarkdale.

Town Manager Mabery gave brief over view of the recent storm and the process the Town of Clarkdale and Clarkdale Fire District utilized in preparing for flood possibilities. The expected storm had taken a southerly route and missed the Verde Valley. The planning and preparing for the forecasted incident went well because of the experience each member of the team brought to the planning. Lessons were learned, like the unforeseeable loss of the 911 system for 3 hours. Town Manager Mabery reported that Jim Elmer, Clarkdale Fire District Board Chairman, said this Emergency Operations was one of the smoothest he had ever been involved with.

Vice Mayor Wiley congratulated the emergency team for the early notification of residents in the identified at risk area.
