Submitted By:

Chief Patrick Haynie and Officer Tommy Nester.

Meeting Date:

February 23, 2010

Background:

The Clarkdale Police Department continues to strive for operating in a proactive way opposed to a reactive way. With this in mind we wish to stay ahead in traffic enforcement and education in keeping our community safe. We would like to put extra enforcement on DUI, speeding, aggressive driving, seatbelt usage and child restraints by providing money for overtime and a fully equipped police unit.

The additional overtime money requested would help continue our participation in a monthly victim impact panel, monthly DITEP (Drug Impairment Training for Educational Professionals), holiday DUI enforcement and time to implement/coordinate CUB (Curb Underage Buying) through underage party and sales to minors stings.

We will also be requesting funds to purchase and equip a new police car with the most up to date equipment including in car digital camera, radar, low profile interior LED emergency lighting and portable breath analyzers. (PBT)
