Agenda Item:           **Resolution of the Town of Clarkdale Authorizing Application for a Designation of Adequate Water Supply** – Approval of Resolution #1328 authorizing the Town Manager to apply for the Designation of Adequate Water Supply for the Town of Clarkdale.

Meeting Date:       4/13/2010

Prepared By:       Wayne Debrosky, Utilities Director

Background: The Town of Clarkdale desires to obtain a Designation of Adequate Water Supply for the Town of Clarkdale. This Designation quantifies available water resources in the Town's service area, identifies resource limitations, and requires others seeking a Water Adequacy Report in the same ground-water basin to account for the Town's designated water in their study. Obtaining the Designation of Adequate Water Supply also demonstrates the Town of Clarkdale's commitment to long term water planning and management.
