

Friends of Verde River Greenway (FVRG) restores, preserves and promotes the natural, cultural, scenic and recreational resources of the Verde River and its tributaries through on the ground projects such as trail building, invasive plant removal on public and private lands and enhancing access to the Verde river. These community-based programs benefit wildlife, residents and visitors that use our rivers and creeks, today and for generations to come.

Accomplishments:

- **Removed over 200,000 invasive plants on public and private land in the Verde Watershed.**
- **Employed 40 veterans and young adults in the field of river restoration and conservation, providing job skills training and work experience leading to long-term employment opportunities.**
- **Coordinated volunteers who provided over 2,400 hours of work in support of AZ State Parks to enhance the Verde River Greenway.**

AZ Gives Day is April 9... visit the website below, to schedule your donation today...

<http://www.razoo.com/story/Friends-Of-Verde-River-Greenway>

Arizona Gives Day is a powerful 24 hour online giving experience that unites Arizonans around causes they believe in. Hosted by the Alliance of Arizona Nonprofits and the Arizona Grantmakers Forum, Arizona Gives Day is a great way for nonprofits to connect to the larger community. Please join us in our Arizona Gives Day Campaign by donating to the vital work we do in our community!

Arizona Gives Day Wednesday April 9, 2014

Support local non-profits that support the Verde River and its tributaries!

Visit us on-line to see how your donation can support our work!

Friends of Verde River Greenway (FVRG) restores, preserves and promotes the natural, cultural, scenic and recreational resources of the Verde River and its tributaries through on the ground projects such as trail building, removal of invasive plants on public and private lands, and enhancing recreation access to the Verde River.

Restore

Verde Natural Resource Conservation District—Education Center provides sustainable water and agricultural outreach to the five school districts within the Verde Valley. The natural environment provides exciting, hands on, real world laboratory for students to develop skills relating to science, technology, engineering and math (STEM), as well as the 21st century skills of critical thinking, problem solving, teamwork, communication and creativity.

Educate

Verde Valley Land Preservation (VVLPI) develops and implements strategies to preserve and enhance open space in the Verde Valley. VVLPI has created nature preserves, influenced development ordinances, developed high-tech tools for planners, influenced water and open space preservation planning among the municipalities, and initiated unique sustainable funding projects.

Preserve

Oak Creek Watershed Council (OCWC) aids in protecting the beauty and maintaining the health of Oak Creek and its watershed. OCWC implements strategies to “keep the creek clean” through public and classroom education, waste disposal, creek clean-ups and many other projects.

Protect

The **Verde River Valley Nature Organization (VRVNO)** mission is to “provide recreational, educational and nature tourism opportunities that support stewardship of the Verde Valley”. VRVNO sponsors events that raise public awareness of our natural resources.
