

## Join Us for a Solar Block Party!

**Who:** Clarkdale Solar Ambassadors – Karen & Brian Daniels, Pat & Carrie Kinnison, Nick & Debbie Hunseder and Vic & Ann Viarengo

**What:** We're having a get-together celebrating Clarkdale's first ever "**Solar Block Party**" for people thinking about solar power. Come take a closer look at the solar panels and controls to learn more!!!

**Where:** Home of Karen & Brian Daniels  
1565 Cholla Lane, Clarkdale, AZ  
(From 89A, turn onto Scenic Drive, Right on Old Jerome Hwy, Left on Mescal Spur, then Right on Cholla Lane)

**When:** Saturday, November 5, 2011 from 11am to 2pm

**Why:** This will be a great chance to meet people who have already gone solar and find out more about how easy it is to go solar yourself. Representatives from Arizona SmartPower, a non-profit organization helping our community with solar power, will be on hand to help. It's all about making solar easy. Ask us questions, hear from your neighbors, enjoy some light refreshments and you'll find out that it's easier than you think.

Looking forward to seeing you on [11/05/11] at the Solar Block Party!  
Please RSVP to Aparna ([amohla@smartpower.org](mailto:amohla@smartpower.org)) or 480-219-4395 (office) or 480-258-8373 (cell) by [Friday, November 4th].
