EVERY CHILD READY TO READ
PRE-READING SKILLS FOR CHILDREN
AGES BIRTH-5 YEARS OLD
A CLASS WILL BE HELD
EVERY SAT. IN JULY
10:00AM TO 11:30AM

Clarkdale Memorial Library presents the Every Child Ready to Read Early Literacy Project. Sponsored by a grant from the Arizona State Library, Archives and the Public Records, this program is designed to teach parents, grandparents, care givers, babysitters and/or child care professionals the six pre-reading skills children need in order to learn how to read.

Just a few minutes each day of reading can increase a child's love of learning, preparing them to be successful in school and in life. This love of learning is established in the first four years of a child's life.

Classes will be presented in English or in Spanish at the Clarkdale Memorial Library. Participants will receive a free "goody bag" of books, art supplies, handouts, or other items to help promote their child's literary success.

A class will be held from 10:00 am to 11:30am every Saturday in July. You may bring your children, however, there will be no child care.

Other interested groups, civic organizations, churches, etc. are invited to have a class presented at their location. Please e-mail kathleenekholm@go.com to schedule.
