Attention- **Town of Clarkdale – Focused Future II Mini Summit**

Clarkdale, AZ

The Town of Clarkdale will host the Focused Future II Mini Summit on April 27, 2012 from 9:30 – Noon at the Men’s Lounge in the Clark Memorial Clubhouse, 19 N. Ninth Street.

The Mini Summit is the fourth in a yearlong series of meetings for Focused Future II, Clarkdale’s economic development planning project sponsored by APS. The Mini Summit will include three presentations relevant to cultivating Clarkdale’s economic development strategy:

Our Sustainable Future – We are in this Together
Ed Fox, VP and Chief Sustainability Officer of APS

Reduce, Reuse, Recycle – Heritage Preservation
Karl Eberhard, Community Design & Redevelopment Manager, City of Flagstaff

Arizona’s Emerging Wine Industry
Peggy Fiandaca, President, Arizona Wine Growers Association

Ideas presented and discussed at the Mini Summit will be assimilated by the Action Team members, the working group for the Focused Future II project. With the input from the Mini Summit, and from the Economic Development Town Hall to be scheduled in June, the Action Team will be preparing a formal Economic Development Plan to be presented to the Clarkdale Town Council for adoption.

Members of the general public are invited to come learn about best practices in other communities in Arizona and how they may apply to Clarkdale’s economic future.

Questions? Please contact the Community Development Department at (928) 639-2500.
