### Allen Springs Cleanup Project

*Clarkdale, AZ* On 9/27/15, Clarkdale Police Officer Nicole Florisi and Council Member Scott Buckley spearheaded a project to cleanup U.S. Forest Service lands along Allen Springs Road in the Town of Clarkdale.

Allen Springs Road and the surrounding Forest Service Land overlooks the Verde Valley and many people travel there to enjoy the beauty and solace the area provides. While this site had been the focus of numerous volunteer cleanups in the past 12 years, the area hasn't had a major cleanup in the past few years and had become inundated with illegally dumped trash and debris, distracting from the natural appeal.

Clarkdale's cleanup event resulted in the removal of 48 cubic yards of trash and debris, and the area is cleaner than it has been in years! The Town of Clarkdale would like to thank all the volunteers and entities that made this project a huge success! Special thanks to the AZ Game and Fish, U.S. Forest Service, Stewards of Public Lands, Backus Building Companies, Inc., Blazin' M Ranch, Tread Lightly, Bolton Drywall, Main Street Café and Pizzeria and the numerous volunteers who donated their time and equipment to this endeavor.

For any additional information regarding this project please contact Officer Nicole Florisi at 928-649-7700.
