liability shall be in said amount. Upon the refund of this amount, all interest of owner shall revert to the Cemetery.

SUPERVISION OF CEMETERY

9. This Cemetery reserves the right to compel all persons coming into the Cemetery to obey all rules and regulations adopted by the Cemetery. The rules and regulations may be changed without notice to any owner by the Officers of the Cemetery.
10. The Cemetery shall take reasonable precaution to protect owners and the property rights of owners within the Cemetery, from loss or damage; but distinctly disclaims all responsibility for loss or damages from causes beyond its reasonable control, and especially from damage caused by: the elements, an act of God, common enemy, thieves, vandals, malicious mischief makers, explosions, unavoidable accidents, invasion, insurrections, riots, or order of any military or civil authority, whether the damage be direct or collateral, other than as herein provided.

13. Automobiles shall not be driven through the grounds at a greater speed than 15 miles per hour and must always be kept on the right side of the Cemetery roadways. The Cemetery reserves to itself, and to those lawfully entitled thereto, a perpetual right of ingress and egress over lots for the purpose of passage to and from other lots.

SALE AND PURCHASE OF INTERMENT RIGHTS

15. The sale or transfer of any interment right by any owner or purchaser shall not be binding upon the Cemetery unless the same shall first be duly approved in writing by the properly authorized officer or other designated agent of the Cemetery, and then such interment right must be reconveyed to the Cemetery; the Cemetery shall thereupon issue a conveyance to the new owner. The same rule shall apply in all cases of assignment or purchase of contracts for interment rights. This procedure is required in order that the Cemetery may at all times have a complete and accurate record of all owners and purchases.
16. Any and all transfers of any interment right, whether the same be conveyance or assignment of purchase contract, are subject to all rules and regulations of the Cemetery which are now in full force and effect or which hereafter may be enacted. The Cemetery may refuse to consent to a transfer or to an assignment as long as there is any indebtedness due the Cemetery from the owner so recorded in the records of the Cemetery at the Cemetery office. All transfers of ownership shall be subject to a charge of \$10.00, which charge must be paid to the Cemetery when the transfer is recorded.
17. The subdivision of interment rights is not allowed without the consent of the Cemetery, and no one shall be buried in any lot not having an interest therein, except by written consent of all parties interested in such lot and the Cemetery.
18. All interment rights are sold subject to payment of the amount posted in the office of the Town Clerk for the area of the lot for perpetual care, and all work on lots will be done by the employees of the Cemetery under the direction of the Cemetery, except when permission is otherwise granted. All grading landscape work, and improvements of any kind, and all care of lots, shall be done, and all trees, shrubs, and herbage of any kind shall be planted, trimmed, cut or removed, and all openings and closing of lots, and all interments, disinterment's, and removals shall be made by such persons and in such manner as the Cemetery shall from time to time direct. No enclosure of any kind, such as a fence, coping, hedge, or ditch, shall be permitted around any grave or lot. Domes, which prevent the excessive settling of the soil of graves, shall be required for all burials. Grave mounds will not be allowed, and no lot shall be raised above the established grade.
19. Interment rights can be purchased in this Cemetery only with the written approval of the Town Clerk or such other agent as the Officers shall direct and subject to the rules and regulations of said Cemetery now or hereafter adopted for the government of this

Cemetery, and for the purpose of interment only. This provision applies to all sales, whether made directly by the Cemetery or sales made by owners.

20. No interment rights or contracts for the purchase of interment rights can be sold, assigned, transferred, pledged or hypothecated without the written approval of the Officers of the Cemetery or such agent as the Officers may designate.

All said agreements must provide for payment as posted in the Cemetery office for the area of the lot.
22. The Cemetery may exchange interment rights when desired by others, but not for interment rights of lesser value. When such an exchange is made, the original conveyance must be surrendered by proper assignment, or by reconveyance, if considered necessary, before any change is effected.
23. Each owner is vested with the ownership of his or her interment right for the sole purpose of interment of human dead bodies. Under the regulations of the Cemetery, the interment rights cannot be conveyed without the consent of the Officers, nor any use, division or improvements of them be made which the Cemetery prohibits, or may deem improper. The owner of interment rights may dispose of same by will, subject to the foregoing conditions. If the owner dies intestate, the interment rights will descend to his or her heirs according to the laws of descent of the State of Arizona then in force and effect.
24. No conditional or partial transfer of interment rights and no sale of an undivided interest, except to a person or persons who are already part owners, will be recorded, as the Cemetery cannot be responsible for the carrying out of the intent of the Grantor. No burial shall be made on any lot until the purchaser shall have paid on the interment rights therein the amount required by the Cemetery, and shall have paid then entire amount due for perpetual care.
25. The general care of the entire Cemetery grounds and lots is assumed by the Cemetery through the operation of a Perpetual Care Fund. This, however, does not provide for any special care. Estimates for any special work will be made by the Cemetery upon applications, and charges for the work must be paid in advance.
26. The Officers of the Cemetery shall direct generally, all of the improvements within the grounds and upon all lots and graves, before as well as after interments have been made therein. They shall have charge of the plantings, sodding, survey and improvements
