PARKS & RECREATION DEPARTMENT UPDATES

Parks and Recreation Event, Program and Activity Reports –

- The Parks and Recreation Survey is gathering some great public input for the future of parks and recreation in Clarkdale. We are currently at 166 respondents and feel that a majority of the people are responding to the survey link on Facebook. There have been no calls to complete the survey via phone at this time. Staff has decided to extend the survey deadline to June 28th so that it can be promoted in Small Talk to reach some of our older population, giving them the opportunity to call in to complete their survey.
- The pickleball equipment box at Centerville Park is up and running again. New equipment has been purchased and the public can now call to get the box code to access the nets, paddles, and balls. Users are advised to play at their own risk. Pickleball Learn and Play at Centerville Park will resume sometime in July if all goes well.
