Town Manager –

This week the Governor of Arizona executed another Executive Order in response to the increase in COVID-19 cases, [Executive Order 2020-40 Containing the Spread of COVID-19](#). Governor Ducey also released new [Guidelines for Restaurants and Bars](#). In response to the Governor’s Executive Order 2020-36, Stay Healthy, Return Smarter, Return Stronger, regarding A.R.S §26-307, a county, city or town may, based on conditions in its jurisdiction, adopt policies regarding the wearing of face coverings in public for the purpose of mitigating the spread of COVID-19, Mayor Doug Von Gausig has executed a Proclamation and Continued Declaration of Emergency regarding mandatory wearing of face masks. The Proclamation is attached.

- A reminder to Staff – you must wear a mask when you are in common areas or unable to maintain social distancing. While we understand that there are varying opinions on the efficacy of this practice, the Town has decided to operate on the side of caution and follow CDC guidance in our effort to reduce the spread of COVID-19.
- The Mayor and I met with Joe Brunner, Freeport McMoRan to discuss current operations and future projects. Freeport continues to remediate in Clarkdale with one (1) crew working. The company has down sized several departments and operations due to the economic impact.

PARKS & RECREATION DEPARTMENT UPDATES

Parks and Recreation Event, Program and Activity Reports –

- Parks and Recreation are gathering public input for future parks and recreation in Clarkdale through a survey. We currently have 197 survey responses. The extended deadline is June 28th and the information went out in Small Talk this week for people to complete online or to call for over the phone service.
- In response to the Coronavirus and to follow CDC Guidelines, the Old Fashioned 4th of July Celebration was cancelled. Staff still wanted a way to celebrate our Nations Independence Day. LED lighting displays will be in the park starting June 22nd. The Salt River Cement Plant graciously donated \$2,500 toward the light displays. Please stroll through the Downtown area to enjoy the lights.

Verde River @ Clarkdale –

- New signs have been installed to replace the faded/sun damaged entry signs at the Lower TAPCO RAP. Thank you to Joni Westcott and Public Works for your cooperation and assistance in getting this done.

- The Verde River Institute (VRI) applied for and has received a grant from Arizona State Parks & Trails to initiate an “on-river ranger” program. The grant funds will allow VRI to provide qualified boaters on the river during heavy use days. The Verde River Rangers (1 or 2 at a time) will travel on-river between RAP’s, engaging users and sharing river ethics, boating safety and river hazard information. In addition, Rangers will pick up trash along their route and encourage others to do the same. River ecology and hydrology, along with river history will be shared if questions arise while Rangers are interacting with public. This program is not affiliated with the Town of Clarkdale and does not affect VRI River Runner annual permit.

Parks and Recreation Commission –

- Lynda Zanolli has informed staff that she will not re-apply to the Parks and Recreation Commission. Lynda has served for nearly 15 years between Parks and Recreations Commission and Community Services Commission. Her spunk and expertise as a long-time member will certainly be missed.

*COMMUNITY DEVELOPMENT DEPARTMENT
UPDATES*

- Certified Local Government – Staff will meet with SHPO next week to discuss the Historic Preservation Commission Ordinance. They have seen the draft and are pleased thus far.
- General Plan Commission – The meeting on June 16, 2020 consisted of reviewing the Introduction section of the General Plan. Next months meeting will discuss Land Use Designations and Circulation.
- Staff has met with a property owner who layed concrete over an easement and other private properties. The resident was apologetic and understands he cannot move forward with the project until he secures a building permit and submits letters from neighboring residents showing their approval of the project.
- Code Enforcement – No complaints received this week.
- Centennial Bricks – Mr. Paul Grasso with his can-do attitude, installed our two new Centennial Brick orders.

POLICE DEPARTMENT UPDATES

Major incidents reported to the department for the week of 6/10 through 6/16/20:

- 6/11/20 - A woman walking her dog in the Black Hills neighborhood reported that another dog came out of its yard to attack her dog. Officer Godina spoke with the attacking dog's owner, who was cited for two town code violations – no dog license and no proof of rabies vaccination. There were no injuries.
- 6/11/20 - Officer Deming responded to Foothills Terrace twice for a verbal disorderly situation that turned into the arrest of a woman for possession of drug paraphernalia, underage liquor consumption, and disorderly conduct per domestic violence.
- 6/14/20 - Officer Deming and Sgt. Smith went to the Dollar General parking lot for a call about a man sleeping in his car. The man was evaluated at VVMC for safety before being taken to jail for possession of narcotics and paraphernalia.
- 6/14/20 - Officer Lohman arrested a man for felony trespassing in Lower Town. He was a former house guest who had been told to leave yet spent the night sleeping at the house.
- 6/15/20 - Officer Guth arrested a man for threats, disorderly conduct and seven warrants after the man caused a disturbance in Patio Park, threatened a pedestrian with his car, and made threats at a business on Main Street. The man also admitted to a hit-and-run accident on 89A and Scenic Drive earlier that day, when he struck a light pole and fled from Officer Lohman. Officer Lohman cited the man while in custody for hit-and-run accident and criminal damage.
- 6/15/20 - Sgt. Candelaria was called out to a residence in Foothills Terrace for a disorderly individual. The man had just been released from jail on drug-related charges and was being asked to leave the residence by his mother, the homeowner. The man gathered his belongings and left, saying that he had no gas, money, food or place to go. Sgt. Candelaria filled up the man's gas can and gave him some drinks and food. Soon the man began making suicidal threats via text to his mother so Sgt. Candelaria searched for him, eventually locating him in Cottonwood. The man was turned over to Spectrum Mobile Crisis Response Team.
- 6/15/20 - Officer Guth received a report of a theft of a campaign sign in the Black Hills neighborhood. He identified the suspects: three juveniles who will be referred to juvenile probation for theft and trespassing.
- 6/16/20 - Olsen's Grain reported fraud involving a counterfeit \$100 bill to Officer Lohman. Olsen's was able to narrow down receipt of the bill to two possible transactions. There are no leads due to lack of video evidence.
- 6/16/20 - Sgt. Candelaria, Lead Officer Brundridge, Officer Lohman and Chief Taylor responded to Foothills Terrace for a woman found deceased in her home. The death was determined to be of natural causes.

Calls at the RAPS

- 6/12/20 - Officer Fricke took a report of the theft of a backpack and contents valued at about \$300. The man left his backpack on the bank at TAPCO RAP while swimming and it was gone when he returned. There are no suspects or leads.
- 6/14/20 - Officer Lohman spoke to a kayaker at Tuzigoot RAP who had removed a campaign sign from the bank upriver, saying that it detracted from the beauty of the river. It is unclear if the sign was on private property or not, but the owner of the sign did not want to pursue charges.
- 6/15/20 - Ambassador Marcia Messier reported a transient camp under Tuzigoot Bridge. Lead Officer Brundridge and Officer Guth were unable to locate anyone.

PUBLIC WORKS/PUBLIC UTILITIES UPDATES

- The work on Broadway continues to progress on schedule. The project should be finished by the end of June.
- Plexiglass has been installed at all transaction counters in the Town facilities. Some of the sheets were damaged when delivered. Thank you to Virginia Smith for contacting the vendor and getting the Town a voluntary 100% refund.
- The roof between Public Works and Community Development has continued but at a slow pace. The painter had to stop work this week due to the high winds. They plan to return and finish early next week. Once the painting is complete, the roof and gutters will be installed.
- Staff continues to work on the grass at the Town park. Public Works has purchased an aerator to help with weeds and growth of lush grass.

Water Main Breaks, Leaks & Misc. Call-Outs

- There were no leaks to report this week.
